Thanks to Brad Dore' for doing all the preparation and planning for this tournament.

We will keep you posted on a new date for the event.

Results from Egoli league

Congratulations to all our league teams !

The final results have not been published yet, but we believe the majority of our five men and four lady teams entered did exceptionally well.

Vets Tournament results

Brad and Paul won the Mens Doubles Over 30,

Rosanne and Corin won the ladies doubles Over 45

Building and renovations

As most of you will have noticed the building and renovations are starting in April 2011, so there will be some inconveniences over the next few months, we are planning to minimise disruptions to the club activities.

We are very pleased that our tennis gazebo is being upgraded. We will keep you posted on progress on this.

Sponsorship of courts

There are signs going up at the club, allowing members or groups of members or corporates to sponsor a tennis court (we aim to put benches, umbrellas and water coolers on our eight tennis courts).

Please speak to one of your committee members if you want to contribute to this project.

New members

We have had a significant number of new members join our tennis club in the past two months. Well done to everyone for continuing to promote our club, and welcome to all new members.

Bruce de Gersigny

We are very sad that Bruce is no longer with us. Our condolences to his family and friends. Please see the obituaries article that Angus put on the notice board.
